GREENLIGHT

**GREENLIGHT ENTREPRENEUR PACKAGE** gives you a comprehensive range of benefits and the personal earning ability protection you need. Plus, it covers other risks you're faced with.

You're an entrepreneur. Your business is part of your identity. It's your security – and you certainly don't want to lose what you've worked so hard to build up.

# GREENLIGHT Entrepreneur Package

The following benefits can be included in the Entrepreneur Package and can be tailored to suit your needs.

## SEVERE ILLNESS (COMPREHENSIVE) BENEFIT

GREENLIGHT Severe Illness (Comprehensive) Benefit accelerates payment of 100% of your Death Benefit Cover Amount, if you contract one of the illnesses covered. This is lifestyle protection against the three major illnesses - heart attack, cancer and stroke - plus other major illnesses, depending on the specific benefit you choose.

## OCCUPATIONAL DISABILITY TEMPORARY INCOME BENEFIT

You may be able to cover 100% of your income using this benefit! GREENLIGHT Occupational Disability Temporary Income Benefit will pay monthly benefits if you are unable to work, due to illness or injury. Partial or permanent income loss is covered by monthly payments for a limited period of time. Use this cover to make sure your income is secure each month, even if you're ill and need to take time off.

With the Entrepreneur Package you have a choice between lump sum and income disability benefits.

## DEATH BENEFIT

GREENLIGHT Death Benefit will provide much-needed financial assistance for the remaining family members when you die. Funds will be available that can be used to create an income for your family to replace yours, settle the bond on the family's home or any other debts that may be owing.

## OCCUPATIONAL DISABILITY BENEFITS

The GREENLIGHT Occupational Disability Benefits are designed to cover you when you're unable to work, due to illness or injury. The income benefits cover partial and temporary disability as well as permanent disability, and will pay a monthly amount for as long as you're unable to work. Alternatively, you may select lump sum benefits to cover permanent disability. These benefits provide long-term protection of your income.

## PREMIUM PROTECTION (DISABILITY) BENEFIT

GREENLIGHT Premium Protection (Disability) Benefit will pay the premiums of the lump sum benefits in this package, should you become disabled.

## FUTURE COVER BENEFIT

GREENLIGHT Future Cover Benefit allows you to apply for extra cover every 3 years, as well as at other life-changing events such as the substantial increase in personal liability as a result of business activity, purchase of a new home or when you get married. This means that cover can be adjusted in future to meet your changing needs, with reduced underwriting at that time.
